

Hello, this is A.J. Muttillio, Assistant Principal of Wakefield North with your weekly announcement. Copies of this announcement will be posted on our school's website.

For all parents accessing carpool in the morning, please remember that we do have designated carpool routes. Please do not enter through one carpool loop and then cross over to exit using another. Also, if you pass through Walgreens' back parking lot, please make a left and enter the carpool loop near Durham Road and away from our building. We have had several near accidents in the last few days. Carpool directions are posted on-line if you need more detailed information.

Students who received a 1st Semester incomplete in biology due to the delay in receiving EOC scores will receive an updated report card in advisory today. This report card will have the EOC grade and final semester grade. We are pleased to announce that all Wakefield North Freshmen met the exit standard and passed the Biology EOC. Please contact your child's biology teacher if you have questions.

Congratulations to the 197 students who were recognized in the A/B Honor Roll for the 1st Semester and the 78 students who were recognized in the all A Honor Roll. They should be proud of the great start to their high school academic career. Thank you to the PTSA Academic Committee for helping us recognize these students. Certificates will be distributed in Advisory today.

SPAN is scheduled to open for course registration on Friday, March 14th after school.

A reminder that March 21st is a holiday for students and Spring Break begins March 31st. Students will return to school on Tuesday, April 8th.

Thank you. Have a great weekend.
