

Hello, this is A.J. Muttillio, Assistant Principal of Wakefield North with your weekly announcement. Copies of this announcement will be posted on our school's website.

Exams begin today and will continue through Wednesday, January 16th. The full exam and review session schedule is posted on line at wakefieldhs.net. Exam make-up day is Thursday, January 17th. Students should only come to school on Thursday if they missed one or more exams.

Friday, January 18th is a teacher workday and Monday, January 21st is a holiday for staff and students.

The 2nd semester will begin on Tuesday, January 22nd with all Wakefield North students reporting to Wakefield North in the morning. Students will receive their schedules at 7:36 in advisory. Students who have a 1st and 2nd period class on main campus for next semester will be shuttled to the main campus by 8:00 that day. Simply put, on January 22nd, all Wakefield North students will begin their day at Wakefield North.

We will host a Freshmen Parent Night on January 24th beginning at 6:00 PM at Wakefield North. You will receive a registration form via mail. The forms are due back to student services at Wakefield North by Friday, January 18th.

Thank you for helping us attempt to convey the importance of final exams to our freshmen students. It is challenging for us to help them realize that they count 20 to 25 percent of their grade. In the case of EOCs, the exams could prevent them from passing the class. Your help in communicating both the importance of the exams and the importance of not overly-stressing out about them is much appreciated.

Have a great weekend.
