

Hello, this is A.J. Muttillio, Assistant Principal of Wakefield North with your weekly announcement. Copies of this announcement will be posted on our school's website.

I would like to congratulate the students on their final exams. An initial look at the EOC data shows that our students were extremely successful on their EOCs. I will make more specific data available after analyzing and summarizing the available data. The release of Biology EOC scores has been delayed until spring to allow for re-norming. As a result, students who took Biology in the fall will see an incomplete on their report cards. The semester grades will be updated once we receive the EOC scores.

This Tuesday, January 22nd, all Wakefield North students should report to Wakefield North for advisory. 2nd Semester schedules will be passed out and students will be shuttled from Wakefield North to the main campus if they have a 1st and 2nd period on Main Campus.

Have a great long weekend.
