

Hello, this is A.J. Muttillio, Assistant Principal of Wakefield North with your weekly announcement. Copies of this announcement will be posted on our school's website.

I want to thank everyone who came out to our freshmen evening on Thursday night. I hope the evening was beneficial to all who attended. We do have some other important events on the horizon.

This Thursday, January 31<sup>st</sup>, we will have our Meet the Teacher night from 7:00-8:35. This event is identical to the one in the fall where parents have the opportunity to follow their child's schedule and hear a brief overview from each teacher. Remember, if your child has a 1<sup>st</sup> and 2<sup>nd</sup> period class on main campus, you should report directly to the main campus on Thursday evening.

On Wednesday, February 27<sup>th</sup>, we will host the Curriculum Fair and Advanced Placement Information Sessions. Doors will open for this event at 6:30. At this event, you will be able to visit departmental displays to get information regarding course offerings for the next year. Remember, this event will be held on main campus. We also welcome our rising freshmen on this evening, so parking will likely be tight.

Report cards were distributed through advisory classes today. Final grades are also posted in SPAN. Now that the new semester has started, parents will not be able to access the progress reports from 1<sup>st</sup> semester. Please direct any questions regarding grades to the individual teacher.

Please note that the county is experiencing some technical difficulties with the phone master system. If you don't receive a message from Mr. Savage and me on a particular week, please check Wakefield's website as we post our weekly messages on our home page.
