

Letters went home with all students today outlining school response to the swine flu pandemic. Complete information is available on www.wcpss.net. All schools have plans in place to deal with confirmed communicable diseases at their sites. We will follow Wake County Human Services leadership going forward.

May 5 through May 21, Mu Alpha Theta members will be tutoring Algebra I, Geometry, and Algebra II in room 3216 from 2:30 until 3:30.

Senior Exam Exemptions: Parents of seniors need to check SPAN this week for their child's attendance profile. If you want to appeal any discrepancies you see with attendance in regard to their exemption, you need to submit an appeal to Ms. Glover at the attendance office by **Friday, May 8**. We will not hear any appeals for exam exemptions after that date. April 6 and 7th, those days will not count to exam exemptions as long as students brought in a note. A spreadsheet has been sent to teachers of all seniors who brought in notes for those two dates.

Prom is Saturday. Please talk to your children about good decisions. No one will be admitted to prom after 10 PM. All students are aware of behavior expectations at prom.

Parents of underclassmen, we are looking for parents to volunteer to assist with the senior reception on May 27th. Please email vcwells@wcpss.net if you can assist.
