

All outstanding fines for seniors are due by 2:45 pm, Friday, May 22nd in order for seniors to walk for graduation. Fines will continue to be assessed by seniors who do not follow the guidelines of the parking contract, who lose their textbooks or media books, turn in books late, or in a damaged condition.

All parking restrictions will remain in force throughout the school year including exams. You may not drive to school unless you have a parking tag and you must park in your space.

A fine of \$5.00 will be assessed for all textbooks turned in after the date they are requested by teachers. Please check your students fines in SPAN. A mailing of fines will go out in June.

There will be no Saturday detention this Saturday. Last Saturday Detention/Validation will be held on May 30th. We are closed Monday for the holiday.

As we head into the last weeks, I ask all parents to talk to your teens about finishing well and keeping focused on the tasks at hand.
