

Exams for underclassmen begin Thursday June 4th. We will dismiss at 11:20 at WFN and at 11:31 on Main Campus. Our buses will leave at 11:45. Exams continue through Tuesday June 9th.

This Friday is the final day for students to make changes in course selections, All changes should be written on the course verification forms students received in home base two weeks ago.

Special message regarding advanced placement courses for next year: Students must complete an AP agreement contracts to secure registration for the course. These forms are on the registration page of the school website, as well as in Student Services and should be turned in no later than Monday. Summer assignments for AP courses next year are now posted to the school website. Be sure to check the information now to prepare for completing the course assignments. English III - Language and Composition materials must be picked up in Student Services.

There is still time to submit applications for mid-year/early graduation 2010. Interested students must submit the completed forms by June 10. They are also available on the website and in Student Services.
