

This is Mark Savage, Principal of Wakefield High School, with your weekly announcement. Copies of which will also appear on our school's website.

Counselors will be visiting sophomore english classes next week to work with students on career and college exploration. Please have your child share the materials they receive and discuss what they learn. Counselors will do the same with the sophomore english classes in the spring.

Earlier this week, letters were mailed home to all students that have been scheduled to take the NC Online Computer Skills Test December 2-18. The NC Online Computer Skills Test is a graduation requirement for all students. The letter mailed home includes the date the student is scheduled to test in addition to information that will be very useful to help your child prepare for the test. It will be beneficial for all students scheduled to test to prepare prior to December. Please encourage your student to prepare for the test using the easyCAST site and/or other resources provided. If you have any questions or concerns regarding the NC Online Computer Skills Test, please contact Staci Lyon by calling 562.6132 or via email at slyon@wcpss.net.

The minutes from the September general meeting are posted on the PTSA bulletin board at the main campus.

Thank you.
