

This is Mark Savage, Principal of Wakefield High School with your weekly announcement. Copies of this announcement will be posted on our school's website.

On Wed, Dec 12, Wakefield High School (both campuses) will have an early release day. School will dismiss at 11:10 at Wakefield North and at 11:20 on Main Campus. Buses will run upon dismissal.

Josten's sends three mailings per year to all students at Wakefield reminding them to buy yearbooks. However JDS, the branch of the company that does the mailings, does not have access to complete sales records. As a result, all yearbooks sold in school, particularly the ones sold prior to the start of the school year, do not appear in their records. All students who purchased a book in school have had their orders processed and should disregard all further mailings from Jostens.

Summer Ventures in Science and Math is a cost-free, state-funded program for academically talented students who may pursue careers based in science and mathematics. The program brings rising juniors and seniors together in a residential setting for four weeks of intensive study. Students and parents are invited to attend an informational meeting on Wednesday, December 19 at 2:30 in the media center.

Thank you, Goodbye.
