

This is Mark Savage, Principal of Wakefield High School with your weekly announcement. Copies of this announcement will be posted on our school's website.

Parents and those who care about WHS children- I find myself again imploring parents to put the safety of our kids before their own convenience. We had two near tragedies this week, where parents dropped their children in the middle of the road in order to avoid the drop-off lines. We know drop-off is a long process- with over 2000 students at main campus it has to be. My faculty can not monitor Wakefield Pines, Mabry and School House. It is unacceptable to let off your children in this manner- and no one wants to see more tragedy here.

Academic Excellence Breakfast is Thursday, October 18th from 7:40 – 8:50 a.m.
Student will be called down according to class and they must have invitation to participate.
We would like to congratulate these students on a job well done at maintaining a 3.75+ GPA for the Academic year of 2006-2007.

The PSAT will be given on Wednesday, October 17 at 7:25 am. All juniors along with sophomores and freshmen who have already registered will take the test. The only electronic device allowed in the testing room is a scientific or graphing calculator. No cell phones are permitted. Parents, please review the registration bulletin with your student, particularly on how to prepare and what to bring. It is also a good idea to review the sample questions in the guide. All registered 9th graders should report directly to Wakefield North for testing. Room assignments have been posted on each campus. Note, there is no make up session for this. Students should plan to arrive to campus earlier than usual to get in to the classroom and settled before testing begins.

Wakefield High School has had Lobby Guard installed this week. Check in will now be done electronically. Visitors need to have their license ready. We require all visitors to sign in.

Thank you, Goodbye.
