Principal Coffee will be on Tuesday (10/2) morning at 8 am. Coffee and muffins are being served.

The North Carolina School of Science Math is a residential public high school located in Durham, NC. NCSSM provides high school juniors and seniors with a challenging curriculum that focuses on mathematics and the sciences while significantly integrating the arts and humanities. This unique environment attracts the state's most accomplished young minds. Current sophomores may apply for admission. Students who are interested in applying are encouraged to attend the informational meeting October 10 at 6pm in Wakefield's media

Wakefield Juniors are you truly prepared for college? Well ask the experts on Tuesday, Oct. 9th at 7:00. Junior Night will feature a panel discussion of college admission counselors. Students and parents will receive important information regarding preparation for college. There will be admission counselors from private colleges, four-year public UNC System universities, historically black colleges and universities (HBCU) and community colleges. A question and answer session will follow the panel presentation.

Students who have registered to take the PSAT on October 17 are strongly encouraged to read the registration bulletin to find out how best to prepare for the test.

Seniors are encouraged to continually visit the senior page of the Wakefield High School website for scholarship updates.

The Raleigh-Wake Alumni Chapter of Winston-Salem State University is sponsoring a college visitation day on Saturday, October 27. This opportunity is for sophomore, junior and senior students as well as parents. The deadline to submit the registration form is October 15. These forms are available in Student Services.

Students who may have missed the Governor's School or Teaching Fellows meeting this week should see a counselor immediately for important information.

Sophomore Night is Thursday October 4 at 7:00pm. This program is for sophomores and parents. Learn about effective academic, career, and college planning tips for the second year of high school. More information about the graduation project will be available.

Thank you, Goodbye.
