

This is Mark Savage, Principal of Wakefield High School with your weekly announcement. Copies of this announcement will be posted on our school's website.

Fall EOC scores for Algebra II, Biology, Chemistry, Physical Science, and Physics were delayed to set the standards and have since been approved by the State Board of Education. Students received an "incomplete" grade on the report cards distributed in January. Students will receive an amended report card showing their actual grade in their advisory on March 7th.

Interims go out today in all classes. Tuesday March 4th is the Writing Test for all tenth grade students. Wednesday is an early release day and dismissal information is on our website.
