

Hello. This is Amy Davis, Assistant Principal at Wakefield High School's Ninth Grade Center, with your weekly message. Copies of this message will be posted on our school's website.

As we wind down the year, teachers have established their review sessions in order to help students prepare for final exams and End-of-Course tests. Please contact your child's teacher to find out the days and times of these sessions.

Our exam schedule is also posted on the school's website. We will be on early dismissal during exams.

Yearbooks will be distributed during all three lunches at Wakefield North on Friday, May 22. Students must show their ID cards in order to pick up their yearbooks. Students who have lunch on main campus may pick up their yearbooks there.

This concludes your weekly message. Thank you. Goodbye.
