

Hello. This is Amy Davis, Assistant Principal at Wakefield High School with a transportation update. Copies of this message will be posted on the school website.

You can find an updated copy of the school bus routes posted on the school website. This will help you to find the closest bus stop and know what the bus will pick up your child in the morning. For the first day of school, please be there a few minutes before the pick up time.

Any ninth grader who is at main campus all day or has a first or second period at main campus should get off the bus there. All students who go to Wakefield North will remain on the bus and then be dropped off at that building.

A shuttle bus will leave main campus for Wakefield North at 7:10 each morning. This bus will only transport students who are carpoolers or walk to school.

The transportation department will have a table set up during all lunches at both campuses during the first few days of school to answer any questions students may have.

Also, the transportation department will run one activity bus this year. It will leave Wakefield North at 4:30 and main campus at 4:45. Activity buses run Monday through Thursday.

If you have any additional questions, please call the Wakefield transportation office at 562-3630.

Thank you. Goodbye.
