

Weekly Message 12.19.08

Hello. This is Amy Davis, Assistant Principal at Wakefield North with your weekly message. Copies of this message will be posted on our school's website.

PSAT Interpretation Night is Thursday, January 8 at 6:30pm, main campus auditorium. All sophomore, junior and freshmen test takers, along with parents should attend this program to pick up and learn about what's in the score report, including National Merit Scholarship Competition and get additional information on next steps for college planning.

Schedule change requests for second semester will end January 9. Because of space limitations, we do not have the flexibility of opening requests to those who have had a change of heart. Only necessary changes will be made.

Review sessions for final exams begin the week of January 5. Please contact your child's teachers to get exact days and times of review sessions. Final exams begin on January 16 and go through the week of January 20. Students are on a half-day schedule during exams.

On behalf of the Wakefield North faculty and staff, I want to wish you a very special holiday season and a Happy New Year!

Thank you. Goodbye.
